For using Proslys OPC UA Java SDK you have to accept the license agreement of the respective edition.

## LICENSE AGREEMENT FOR EVALUATION EDITIONS OF PROSYS OPC UA JAVA SDK

Proslys OPC UA Java SDK is copyright (c) by Proslys PMS Ltd, all rights reserved. This software and accompanying documentation are protected by international copyright law and also by International Treaty provisions. Any use of this software in violation of copyright law or the terms of this agreement will be prosecuted to the best of our ability.

You acknowledge that all rights with respect to Proslys OPC UA Java SDK, including but not limited to, all of Proslys PMS Ltd's and/or its licensors' intellectual property rights therein, are and shall be, the exclusive property of Proslys PMS Ltd and/or its licensors. Nothing herein shall give you any right, title or interest in or to Proslys OPC UA Java SDK or any portion thereof. You will receive no licenses except as expressly granted in this Agreement. Proslys PMS Ltd does not grant you any expressed or implied rights to or under any patent, copyright, trademark, or trade secret of Proslys PMS Ltd.

You shall restrict your use of the evaluation edition of Proslys OPC UA Java SDK and OPC Foundation Java Stack for evaluation purposes only. You may not use the software for commercial purposes. Any feature of the software is subject to change without notice. You may install and use one copy of the software on a single computer accessible only by authorized employees of your organization, solely for evaluation purposes during the evaluation period. Evaluation period starts from the date you have first time downloaded the software or received an account to access the software or otherwise received the software, whichever is the earliest. The evaluation period is 60 days and any use after 60 days shall be considered commercial use unless otherwise agreed in written. After the 60 days evaluation period, you must remove the software (including OPC Foundation Java Stack) and related documentation without delay. If you continue using software or do not remove the installation and related documentation, you agree to purchase and pay a valid license of the software.

If you are an educational non-profit institution and you have got a separate written permission from Proslys PMS Ltd, you can use evaluation edition of Proslys OPC UA Java SDK also for educational purposes.

You are not allowed to distribute materials produced by Proslys OPC UA Java SDK, regardless of the way how such a distribution takes place. You are not allowed to modify any material produced by Proslys OPC UA Java SDK, including but not limited to computer files which were created as a result of the usage of Proslys OPC UA Java SDK. You are not allowed to sell, rent, lease or otherwise use commercial-

ly files or parts of files, which were created by Proslys OPC UA Java SDK.

You may not copy or distribute Proslys OPC UA Java SDK or OPC Foundation Java Stack. Under no conditions you may remove the copyright notices made part of the software or documentation.

Parts of the evaluation edition code are not considered to be at the level of performance and compatibility of the final, commercially available product offering. Such code may not operate correctly and may be substantially modified prior to commercial release. Proslys PMS Ltd is not obligated to make any evaluation edition code commercially available.

The software is provided "AS IS" without warranty of any kind. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, PROSYS PMS LTD FURTHER DISCLAIMS ALL WARRANTIES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT. THE ENTIRE RISK ARISING OUT OF THE USE OR PERFORMANCE OF THE SUPPLIED SOFTWARE AND DOCUMENTATION REMAINS WITH YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL PROSYS PMS LTD BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE, OR OTHER DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PENUCIARY LOSS) ARISING OUT OF THIS AGREEMENT OR THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF PROSYS PMS LTD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

The software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Proslys PMS Ltd and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

Proslys may include different practical limitations to the evaluation edition of Proslys OPC UA Java SDK. Limitations may include (but not restrict to) time limited use of the software or materials produced by the software. Practical limitations may appear in the software, documentation and materials produced by the software. In any case Proslys PMS

Ltd has the absolute right at any time to terminate this license with immediate effect.

All Prosys product names are trademarks or registered trademarks of Prosys PMS Ltd. Other brand and product names are trademarks or registered trademarks of their respective holders.

This Agreement shall be governed by and construed under the laws of Finland excluding the rules of conflicts of laws of the Finnish legislation.

By installing or by using Prosys OPC UA Java SDK, you agree to the terms applicable to your edition and license.

#### **LICENSE AGREEMENT FOR CLIENT BINARY, CLIENT SOURCE, CLIENT & SERVER BINARY AND CLIENT & SERVER SOURCE EDITIONS OF PROSYS OPC UA JAVA SDK**

Prosys OPC UA Java SDK is copyright (c) by Prosys PMS Ltd, all rights reserved. This software and accompanying documentation are protected by international copyright law and also by International Treaty provisions. Any use of this software in violation of copyright law or the terms of this agreement will be prosecuted to the best of our ability.

You acknowledge that all rights with respect to Prosys OPC UA Java SDK, including but not limited to, all of Prosys PMS Ltd's and/or its licensors' intellectual property rights therein, are and shall be, the exclusive property of Prosys PMS Ltd and/or its licensors. Nothing herein shall give you any right, title or interest in or to Prosys OPC UA Java SDK or any portion thereof. You will receive no licenses except as expressly granted in this Agreement. Prosys PMS Ltd does not grant you any expressed or implied rights to or under any patent, copyright, trademark, or trade secret of Prosys PMS Ltd.

Any copies and reproductions of any portion of Prosys OPC UA Java SDK or documentation by you shall include any proprietary and statutory copyright notices present in the originals received from Prosys PMS Ltd.

Prosys PMS Ltd authorizes you to make archival copies of this software for the sole purpose of back-up and protecting your investment from loss. Under no circumstances may you copy this software or documentation for the purposes of distribution to others. Under no conditions may you remove the copyright notices made part of the software or documentation.

You may distribute, without runtime fees or further licenses, your own compiled programs based on any of the source code of Prosys OPC UA Java SDK. You may not distribute any of the Prosys OPC UA Java SDK source code, compiled units, or compiled example programs without written permission from Prosys PMS Ltd. The only exception is Prosys-OPC-UA-Java-SDK-\*.jar, which you may distribute along with your own compiled programs. You may not use Prosys OPC UA Java SDK to create controls or components to be used by other developers without written permission from Prosys PMS Ltd. Note that the previous restrictions do not prohibit you from distributing your own source code or units that depend upon Prosys OPC UA Java SDK. However, oth-

ers who receive your source code or units need to purchase their own copies of Prosys OPC UA Java SDK in order to compile the source code or to write programs that use your units.

When you develop your programs using Prosys OPC UA Java SDK, you may distribute Opc.Ua.Stack-\*.jar along with your own compiled programs as long as you comply with the separate license terms of the OPC Foundation.

The supplied software may be used by one person on as many computer systems as that person uses. Group programming projects making use of this software must purchase a license for each member of the group. Contact a reseller or Prosys PMS Ltd for volume discounts and site licensing agreements.

Prosys PMS Ltd warrants that the properly installed and used software will in pertinent part function as described in related documentation (except for defects or non-conformities causing minor and trivial deviations therefrom) for a period of 1 year from receipt. If you encounter a bug or deficiency, we require a problem report detailed enough to allow us to find and fix the problem. If you properly notify us of such a software problem within the warranty period, Prosys PMS Ltd will make reasonable efforts to correct the defective software at no cost to you. In case this does not succeed, Prosys PMS Ltd may at his option refund the software license fee. This is the sole remedy for any defects in the software.

PROSYS PMS LTD DOES NOT ASSUME ANY LIABILITY FOR THE USE OF PROSYS OPC UA JAVA SDK BEYOND THE ORIGINAL PURCHASE PRICE OF THE SOFTWARE. IN NO EVENT WILL PROSYS PMS LTD BE LIABLE TO YOU FOR ADDITIONAL DAMAGES, INCLUDING ANY LOST PROFITS, LOST SAVINGS, OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF PROSYS PMS LTD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

The software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Prosys PMS Ltd and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

All Prosys product names are trademarks or registered trademarks of Prosys PMS Ltd. Other brand and product names are trademarks or registered trademarks of their respective holders.

This Agreement shall be governed by and construed under the laws of Finland excluding the rules of conflicts of laws of the Finnish legislation.

By installing or by using Prosys OPC UA Java SDK, you agree to the terms applicable to your edition and license.
